

CITY OF BONITA SPRINGS, FLORIDA

ORDINANCE NO. 01-09

AN ORDINANCE ESTABLISHING THE VASARI COMMUNITY DEVELOPMENT DISTRICT PURSUANT TO SECTION 190.005(2), FLORIDA STATUTES; PROVIDING FOR THE ESTABLISHMENT OF THE COMMUNITY DEVELOPMENT DISTRICT; DESCRIBING THE EXTERNAL BOUNDARIES OF THE DISTRICT; NAMING THE INITIAL MEMBERS OF THE BOARD OF SUPERVISORS; NAMING THE DISTRICT; PROVIDING THAT THE CITY OF BONITA SPRINGS MAY NOT AND SHALL NOT MODIFY OR DELETE ANY PROVISION OF THE DISTRICT CHARTER SET FORTH IN SECTIONS 190.006 - 190.041, FLORIDA STATUTES; PROVIDING FOR CONFLICT AND SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Taylor Woodrow Communities at Vasari, LLC, has petitioned the City Council of the City of Bonita Springs, Florida (the "City") to establish the Vasari Community Development District; and

WHEREAS, the City Council of the City (the "City Council"), after proper published noticed, conducted a local public information-gathering ordinance hearing as required by law and finds as follows:

1. The petition is complete in that it meets the requirements of Section 190.005(2), Florida Statutes; and all statements contained within the petition are true and correct.
2. The Planning Department of Lee County, Florida, on behalf of the City, has reviewed and approved the petition for establishment of the district on the property proposed in the petition.
3. The costs to the City and government agencies from establishment of the district are nominal. There is no adverse impact on competition or employment from district establishment. The persons affected by establishment are the future landowners, present landowners, the City and its taxpayers, and the State of Florida. There is a net economic benefit flowing to these persons from district establishment as the entity to manage and finance the statutory services identified. The impact of district establishment and function on competition and the

employment market is marginal and generally positive, as is the impact on small business. None of the reasonable public or private alternatives, including any other alternative management entity which may make an assessment of less costly and less intrusive methods and of probable costs and benefits of not adopting the ordinance, is as economically viable as establishing the district. Methodology is set forth in the economic impact statement of estimated regulatory costs on file. The statement of estimated regulatory costs of this petition on district establishment is adequate.

4. Establishment of the district on the proposed land, whose charter is found in Sections 190.006 to 190.041, Florida Statutes, as created by general law, is not inconsistent with the applicable local Comprehensive Plan or the State Comprehensive Plan.

5. The area of land within the district is of sufficient size, is sufficiently compact and is sufficiently contiguous to be developed as one functional interrelated community.

6. The district is the best alternative available for delivering community development services and facilities to the area that will be served by the district.

7. The community development services and facilities of the district will be compatible with the capacity and uses of existing local and regional community development services and facilities.

8. The area that will be served by the district is amenable to separate special district government.

9. The district, once established on the proposed property, may petition the City Council for consent to exercise one or more of the powers granted by charter in Section 190.012(2), Florida Statutes.

10. Upon the effective date of this Ordinance, the Vasari Community Development District will be duly and legally authorized to exist and exercise on the proposed property all of its general and special powers as limited by law; and has the right to seek consent from the City for the grant of authority to exercise special powers in accordance with F.S. 190.012(2), without question as to the district's continued right, authority and power to exercise its limited powers as established by

this Ordinance.

11. All notice requirements of law were met and complete notice was timely given.
